THE NAMES OF JESUS

Study the Names of Jesus to help you really know The Lord!

An inspiring and practical study on the Names of Jesus Christ: His Name, Title, Office, Prophetic, Salvational, Birth, Service, Sonship, Godhead, Jehovistic Titles, Church Names and the Apocalyptic Names of Christ in the New Testament in the Revelation. This is an exciting study of Jesus' key names and titles, but not exhaustive. It is an introduction important to those who, like Moses and Paul, desire a more intimate knowledge of the One the angels years ago named "Jesus". To really know God, you must get to know Him by name. The Epistle to the Philippians expresses the overwhelming desire of the Apostle Paul: "That I may know him"(Philippians 3:10). Expect your relationship with Christ to deepen and grow stronger as you study this course!
