“RECOVERING AND COPING WITH GRIEF”

WHEN

**Discipleship Development Ministry
Winter Session 2022
Jan. 13-March 3, 2022
7:00p-8:30p
8 Thursdays**

WHAT:

We can endeavor to be on the road to recovery. Together, we can take some positive steps toward recovering from grief and varied other losses we never considered and recognize that you have the power through Christ to make decisions to determine how it will affect your future. We will move through sorrow with spiritual hope. What's in it for YOU? We must acknowledge and talk about it; identify the losses of life; identify secondary losses; recognize the feeling and deal with them effectively; that unresolved grief can disturb the normal recovery; changing our relationship to the person or thing you lost will speed your healing and decide to grow from and do something constructive with the loss. The process is always on-going. This is a Christian ministry which can help you visualize where you are going on this journey.
