"HOW TO HAVE A MEANINGFUL QUIET TIME"

A 2-hour mini-Bible study on having a meaningful time with God. The quiet time is simply setting aside a daily time of personal fellowship with God through the Word and prayer. This is a time we deliberately set aside in which to meet with HIM. The objective of this mini-bible study is so that you may grow in your personal relationship with God, so that we can know him, love Him, and become more like Him. Learn the proper attitudes, a specific time, a special place, a simple plan! Make an appointment with God today!
