“PROVERBS” PART 4

(CHAPTERS 20-31)

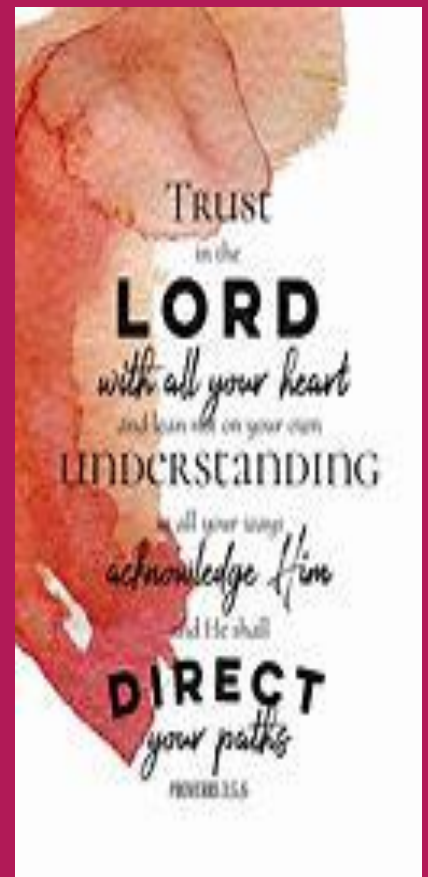

Sept. 9 to Oct. 14, 2025
6 Tuesdays; 11:00am to 1:00pm

A Bible study based on biblical and theological wisdom for everyday life. This is an entry level verse by verse from the Book of Proverbs. It is all about discipleship addressed to everyone who is open to its wisdom from the Old Testament. Walking in wisdom means making decisions today that you will be happy with tomorrow.

Study in a small group Bible Study setting for Fall 2025 to find godly, practical advice about many practical matters you face in your everyday life. It has one important difference: it points the believer to God with instructions on how to live a holy upright life.
