A Bible study based on wisdom for everyday life. This is an entry level verse by verse bible study in Proverbs. It is all about discipleship addressed to everyone who is open to its teaching. Study this “wisdom” book of the Old Testament. Walking in wisdom means making decisions today that you will be happy with tomorrow. This series is offered in 3 PARTS on Tuesdays in the Winter/Spring/Fall from 6:00p to 7:30pm.

Study in a group setting for the Winter/Spring/Fall 2025 to find godly, practical advice about many practical matters you face in your everyday life. It has one important difference: it points the believer to God with instructions on how to live a holy upright life.

**“THE PARABLES OF JESUS”**

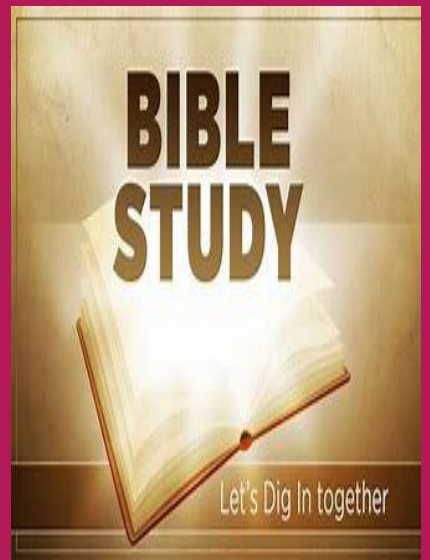

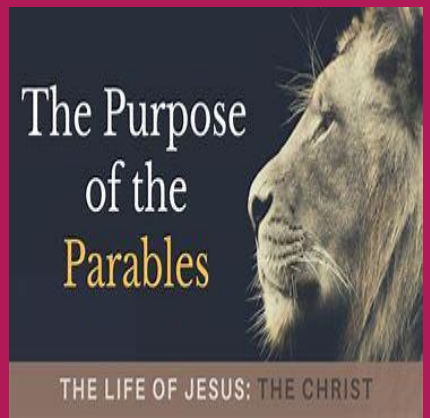

**Discipleship Development Ministry 2025**

Jesus was the master of the parables. A parable is often no more than an extended metaphor or simile, using figurative language in the form of a story to illustrate a particular truth. These parables of Jesus appear in the Gospel of Matthew, Mark, Luke and John.

Join us in a bible study seeking to find the central meaning of Jesus' proclamation of the kingdom of God and to His miracles. This leads to following Jesus in authentic discipleship. This is a call to a radical decision to follow Him, regardless of the cost. **FREE!**
