We are excited about welcoming you to the community's *Broad Rock Farmers Market!*

We are now accepting applications for farmers, growers, food producers, bakers (breads, pies, cupcakes, etc.), jellies, jams, pickles, handcraft artisans and food trucks.

We are located at 3300 Broad Rock Boulevard, in the parking lot of Second Baptist Church (South Richmond). Our mission is to provide fresh, healthy, and nutritional local produce and other food products produced by local farmers and growers directly to our community. We believe our community will be stronger by building together.
